

# Needed! Stars for Stories

Do you want to discover new things about your neighbors? Want to be in the headlines? Want to see your pictures published? We're looking for neighborhood families, business owners or individuals who have a story to share. That story might be to celebrate an award you've won, to share your recent vacation, or simply to introduce yourself and share a message with neighbors. We are bringing local to the next level and want this magazine to serve you. Let us know what you hope to see in these monthly pages.

Here's how to get started. Use these prompts to fire up your imagination:

- What you would like to see in this magazine?
- Has your family taken a vacation recently? Perhaps you could write a review or recommend a getaway destination.
- Do you have any special talents in your family? Do you play musical instruments? Do you have a band? Are you running a marathon? Are you the next Einstein? Do you make and sell crafts?
- Are you a business owners? The community starts right outside your front door. The family feature story is a great place to introduce your services to those closest to you.
- Volunteers, are you passionate about charity work? Do you organize a fundraiser each year for a nonprofit or walk to fight disease? Your story might motivate and inspire others in life-changing ways.
- Are you the leader of a book club or card-playing group? Do you organize the dinner club or ladies' night out? Show neighbors how much fun you are having and invite newcomers to join you with an article and photos.

The process is easy. You send us your ideas or recommend neighbors, and we will talk with you, write the article and gather photos.
